Dear [REDACTED],

I have some notes from our meeting, but I need to go through them to remove any of my thoughts and impressions. We don't want to ruin our attorney client privilege with our clients or give away any materials that could be considered to be in preparation for litigation.

Attached please find some of the files you may find helpful. More to come. Let me know if you have any questions or other needs. I have been out sick and [REDACTED] and I are headed away for the rest of the week so we can be in touch next week with more information and follow-up.

Thank you for your interest in these important matters.
